(c) During the life of this ORDER, the Bank shall notify the Regional Director of the FDIC's San Francisco Regional Office ("Regional Director") and the Director of the Washington Department of Financial Institutions ("Director") in writing when it proposes to add any individual to the Bank's Board or employ any individual as a senior executive officer. The notification must be received at least 30 days before such addition or employment is intended to become effective and should include a description of the background and experience of the individual or individuals to be added or employed. The Regional Director and the Director shall have the power under the authority of this Order to disapprove the addition, employment or change of responsibilities of any proposed officer or director.

(d) Within 60 days after the effective date of this ORDER, the Bank's Board shall obtain an independent study of the management and personnel structure of the Bank to determine whether additional personnel are needed for the safe and profitable operation of the Bank. Such a study shall include, at a minimum, a review of the duties, responsibilities, qualifications, and remuneration of the Bank's officers. The Bank shall formulate a plan to implement the recommendations of the study. The plan shall be acceptable to the Regional Director and the Director as determined at subsequent examinations.

2. Within 30 days from the effective date of this ORDER, the Bank's Board shall increase its participation in the affairs of the Bank, assuming full responsibility for the approval of sound policies and objectives and for the supervision of all of the Bank's activities, consistent with the role and expertise commonly expected for directors of banks of comparable size. (c) Within 60 days from the effective date of this ORDER, the Bank shall revise the Capital Plan to include contingency plans for maintaining capital levels in accordance with Paragraph 3 of this ORDER.

(d) The level of Tier 1 capital to be maintained during the life of this ORDER pursuant to Subparagraph 3(a) shall be in addition to a fully funded allowance for loan and lease losses, the adequacy of which shall be satisfactory to the Regional Director and the Director as determined at subsequent examinations and/or visitations.

(e) Any increase in Tier 1 capital necessary to meet the requirements of Paragraph 3 of this ORDER may be accomplished by the following:

- (i) the sale of common stock; or
- (ii) the sale of noncumulative perpetual preferred stock; or
- (iii) the direct contribution of cash by the Bank's Board and/or shareholders of the Bank; or
- (iv) any other means acceptable to the Regional Director and the Director; or
- (v) any combination of the above means.

Any increase in Tier 1 capital necessary to meet the requirements of Paragraph 3 of this ORDER may not be accomplished through a deduction from the Bank's allowance for loan and lease losses.

(f) If all or part of the increase in Tier 1 capital required by Paragraph 3 of this ORDER is accomplished by the sale of new securities, the Bank's Board shall forthwith take all necessary steps to adopt and implement a plan for the sale of such additional securities, including the voting of any shares owned or proxies held or controlled by them in favor of the plan. Should the implementation of the plan involve a public distribution of the Bank's securities

(including a distribution limited only to the Bank's existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with the Federal securities laws. Prior to the implementation of the plan and, in any event, not less than 15 days prior to the dissemination of such materials, the plan and any materials used in the sale of the securities shall be submitted to the FDIC, Registration and Disclosure Unit, Washington, D.C. 20429, for review. Any changes requested to be made in the plan or materials by the FDIC shall be made prior to their dissemination. If the increase in Tier 1 capital is provided by the sale of noncumulative perpetual preferred stock, then all terms and conditions of the issue, including but not limited to those terms and conditions relative to interest rate and convertibility factor, shall be presented to the Regional Director and the Director for prior approval.

(g) In complying with the provisions of Paragraph 3 of this ORDER, the Bank shall provide to any subscriber and/or purchaser of the Bank's securities, a written notice of any planned or existing development or other changes which are materially different from the information reflected in any offering materials used in connection with the sale of Bank securities. The written notice required by this paragraph shall be furnished within 10 days from the date such material development or change was planned or occurred, whichever is earlier, and shall be furnished to every subscriber and/or purchaser of the Bank's securities who received or was tendered the information contained in the Bank's original offering materials.

(h) For the purposes of this ORDER, the terms "Tier 1 capital" and "total assets" shall have, the meanings ascribed to them in Part 325 of the FDIC's Rules and Regulations, 12 C.F.R. §§ 325.2(v) and 325.2(x).

4. Within 30 days from the effective date of this ORDER, the Bank's Board shall develop or revise, adopt and implement a comprehensive policy for determining the adequacy of the allowance for loan and lease losses. For the purpose of this determination, the adequacy of the reserve shall be determined after the charge-off of all loans or other items classified "Loss." The policy shall provide for a review of the allowance at least once each calendar quarter. Said review should be completed at least 10 days prior to the end of each quarter, in order that the findings of the Bank's Board with respect to the loan and lease loss allowance may be properly reported in the quarterly Reports of Condition and Income. The review should focus on the results of the Bank's internal loan review, loan loss experience, trends of delinquent and non-accrual loans, an estimate of potential loss exposure of significant credits, concentrations of credit, and present and prospective economic conditions. A deficiency in the allowance shall be remedied in the calendar quarter it is discovered, prior to submitting the Reports of Condition and Income, by a charge to current operating earnings. The minutes of the Bank's Board meeting at which such review is undertaken shall indicate the results of the review. Upon completion of the review, the Bank shall increase and maintain its allowance for loan and lease losses consistent with the allowance for loan and lease loss policy established. Such policy and its implementation shall be satisfactory to the Regional Director and the Director as determined at subsequent examinations and/or visitations.

(a) Within 30 days from the effective date of this ORDER, the Bank shall eliminate from its books, by charge-off or collection, all assets classified "Loss" in the ROE dated March 23, 2009, that have not been previously collected or charged off. Elimination of these assets through proceeds of other loans made by the Bank is not considered collection for the purpose of this paragraph.

(b) Within 90 days from the effective date of this ORDER, the Bank shall have reduced the items classified "Substandard" in the ROE dated March 23, 2009, that have not previously been charged off to not more than 100 percent of total capital and reserves.

(e) The requirements of Subparagraphs 5(a), 5(b), 5(c), and 5(d) of this ORDER are not to be construed as standards for future operations and, in addition to the foregoing, the Bank shall eventually reduce the total of all adversely classified assets. Reduction of these assets through proceeds of other loans made by the Bank is not considered collection for the purpose of this paragraph. As used in Subparagraphs 5(b), 5(c), 5(d), and 5(e) the word "reduce" means:

- (i) to collect;
- (ii) to charge-off; or
