

## **Comments Received - June 10 - 23, 2006**

Comment:

A company effected by 19.146.0204 has made substantive comments on the requirements that they believe go beyond the scope of the legislation. (The Misc. Sub-Panel will consider the comments.)

Comment:

I am a mortgage loan officer in Kennewick, Washington. I am trying to get more information on becoming licensed. I know that all loan originators will have to be licensed by January 1, 2007 so I need to know where the study guide is located and how I can take the test to become approved. Please get back to me as soon as you get a chance.
