

SHB 2770 Rulemaking - "Disclosure Summary" Comments

Name: Don Oneida

Received: August 20, 2008

Comments:

I think this rule should be revised.

Since Banks, CU, Mortgage Bankers, Savings and Loans dont disclose ysp, why should brokers. We all get paid the same way!!!!!!!!!!!!!! And are doing the same job. Just because banks have more money to loby for rules, does not mean the playing feild should ne be fair for business and consumers. their should be a disclosure for no cost loans then.
