Final Rulemaking on Technical Amendment

On February 24, 2010, the Department of Financial Institutions (DFI) filed the final rule (CR-103P, WSR 10-06-050) to correct a typographical error in an earlier rule. Refer to Bulletin B-08-16 regarding the earlier rule.

Although the Bulletin B-08-16 and the Division of Credit Union's procedural handling of the rule were correct, a scrivener's error was discovered in the rule as published. Refer to WAC 208-418-040 regarding the corrected text.

The CR-103P final rule and amended section along with additional information pertaining to this corrective rulemaking will be posted on the Division of Credit Union's rulemaking website at: <http://www.dfi.wa.gov/cu/rulemaking.htm> .
