MEETING SCHEDULED TO DISCUSS 1996 DCU FEE INCREASE

Because of current budgetary problems, the Division of Credit Unions is recommending a significant fee increase for credit unions over \$20 million in assets. Legislation will be necessary in the 1996 session to authorize the increase, which would not take effect until July 1, 1996.

A meeting has been scheduled for Thursday, November 16, 1995, from 9:00 to 11:00 a.m., for the DCU to make a presentation and receive comments from credit unions on the fee increase. It is important that a representative from each credit union attend. Budget and fee materials will be mailed to credit unions about one week before the meeting.

The meeting is actually a videoconference which will take place simultaneously at the following four locations:
