Effective March 14, 1996, the Division withdrew its pending rule-making on:

1. Capital and liquidity requirements for credit unions guaranteed by the Washington Credit Union Share Guaranty Association. The preproposal statement of inquiry (form CR-101) on this matter was filed at WSR 95-18-080, and was discussed in DCU Bulletin No. 95-3.
2. Messenger service and agency activities of credit unions (and other financial institutions). The preproposal statement of intent (form CR-101) on this matter was filed at WSR 95-14-127, and was discussed in DCU Bulletin No. 95-2.
