### **LIST OF OPINIONS** **ISSUED YEAR-TO-DATE**

From time to time, the Division issues written opinions in response to questions about how a statute or rule should be applied to a particular factual situation. In order to make these opinions available generally to credit unions, we will publish a list of new opinions twice a year. The list will include the reference number, date, and subject matter of each opinion issued year-to-date. Enclosed is the first list for this purpose.

The Division is happy to provide “sanitized” copies of the actual opinions upon request. Please call or fax your request to Tina Philippsen (at the Division office at the numbers above) if you would like a copy of an opinion described on the enclosed list.

It should be noted that the opinions are limited to their facts; we may reach a different conclusion if presented with different facts or conditions.
