### **List of Division Opinions Issued in the First Half of 1998**

From time to time, the Division issues written opinions in response to questions about how a statute or rule should be applied to a particular factual situation. In order to make these opinions available generally to credit unions, we will publish a list of new opinions twice a year. The Division will provide “redacted” copies of the actual opinions upon request. Enclosed is a list of opinions issued during the first half of 1998.

Please be aware that the opinions are limited to their facts; we may reach a different conclusion if presented with different facts or conditions.

Please call or fax your request to Diane Moye (at the Division office at the numbers above) if you would like a copy of an opinion on the enclosed list.

### **Procedure for Requesting the Division to Issue An Opinion**

To request the issuance of a written opinion, credit unions should submit the request to the Division in writing with a full description of the relevant facts, and include copies of any relevant written materials. The request should also include a detailed statement of the conclusion you are seeking, with supporting rationale.
