Division Begins Rule-making to Implement 1997 Credit Union Act and to Review Rules under Governor's Executive Order

On June 16, 1998, the Division filed a CR-101 for rule-making in two areas:

1. To consider the adoption of rules to implement Chapter 397, Washington Laws of 1997. Chapter 397 extensively modernized the Washington State Credit Union Act, Chapter 31.12 RCW.
2. To consider rule revisions based on a review of the Division's rules, other than the Division's field of membership (FOM) expansion rules, in accordance with the Governor's Executive Order 97-02. The Division intends to undertake review and revision of its FOM rules in a separate rule-making at a later time.

Enclosed is a copy of the CR-101.
