### Investor Education in Your Workplace

On behalf of the Washington State Department of Financial Institutions Securities and Credit Union divisions and the Northwest Credit Union Association, I am pleased to invite you and your employees to participate in the Investor Education in Your Workplace® (IEiYW®) program. The IEiYW® program is an award winning 10-hour online financial and investment education program designed for credit union employees.

The IEiYW® program begins in April 2012 and ends in July 2012. The topics covered in the 10-hour online program are comprehensive — from the basics of saving and investing to retirement planning.

Participation in the IEiYW® education program is available at no charge to up to 1,500 employees of Washington credit unions. The national Investor Education in Your Workplace® program is sponsored and underwritten by the nonprofit Investor Protection Trust, [www.investorprotection.org](http://www.investorprotection.org)
