Subject: Requirement for submission of U.S. Department of Commerce, Bureau of the
Census-Form FI 6002 (1997 Economic Census-Credit Unions)

Opinion no: O-98-2

The Division has reviewed the statutory requirement in 13 U.S.C. Section 224, for submission of the above noted form. It is our opinion that all credit unions that received this form are required to complete and return it on or before the due date. The Department of Commerce has the authority to levy a fine of \$500 for failure to comply.
